

For cleaning carpet in wide open spaces where productivity is the bottom line, the Polaris 800 cleans quickly and efficiently. This larger self-contained carpet extractor comes equipped with dual vacuums to more thoroughly clean and dry carpets. The Polaris has a built-in silencer so you can clean without interrupting the work flow. Top quality construction, remarkable ease of operation and versatility combine for a machine that consistently outperforms the competition.

To empty just twist and turn the detachable cord to transport the machine to a drain or toilet. Lift off recovery buckets make emptying quick and easy without the need for a drain hose .

Maintenance is a breeze as well-just remove two screws and open like a clamshell for quick internal access.

Features & Benefits

- Large wheels, adjustable handle, and lightweight construction team up for easy handling and storage
- Optional accessories quickly attach to the rear of machine for cleaning stairs, upholstery, etc.
- Detachable cord makes it easy to drop the cord and wheel the machine to a drain or toilet for emptying
- Patented dual lift-off buckets make it quick and convenient
- Patented four-wheel design for balance and reduced turning radius
- High speed brush motor and brush guarantee powerful agitation to release deeply embedded soil and grit, extending carpet life
- Patented brush system utilizes fully sealed stainless steel ball bearings for years of trouble-free operation
- Dual vacuum motors for unequaled water & soil recovery in a self-contained extractor
- 19" wide cleaning head maximizes productivity
