THIS FLOOR CLEANER IS ANYTHING BUT BASIC...OR ACIDIC

The Global Industrial™ Auto Scrubber Neutral Floor Cleaner is a heavy-duty, commercial-grade neutral-pH formula specially designed for daily cleaning and degreasing of high-traffic nonporous floors. Its ultra-powerful formula is intended for use in all auto-scrubbers. Just drop a pod in the tank and fill with water. Leaves room with a refreshing ocean scent.

FEATURES

- Each 100% water-soluble pod makes 8-12 gallons of floor cleaner in minutes
- Add directly to water; no need to cut, tear, or open pods
- Designed for high-traffic nonporous floors
- Ammonia-free, bleach-free, and phosphate-free
- Packaging is 100% reusable and/or recyclable
