

Section 1: Identification				
Product Name: Auto Scrubber Neutral Floor Cleaner (22.5g DILUTED 12 Gallons)				
Product number: 641556				
Brand: Global Industrial				
Chemical Name/Synonyms: Auto Scrubber Neutral Floor Cleaner				
Product Dilution Information: User-prepared dilution from concentrated product				
Company: Global Industrial				
2505 Mill Center Parkway				
Buford, GA 30518				
Emergency Telephone: 1-800-424-9300				
In emergency call 911.				
Section 2: Hazard(s) Identification				
This product does not meet the criteria for classification in any hazard class according to regulation OSHA 29 CFR 1910.1200.				
Signal Word(s): No signal word				
Hazard Statements: No know significant effects or critical hazards.				
Precautionary Statements: No applicable.				
Section 3 : Composition/ Information on Ingredients				
This product does not meet the criteria for classification in any hazard class according to regulation OSHA 29 CFR 1910.1200.				
Section 4: First-Aid Measures				
After skin contact: Rinse with plenty of water. Get medical attention if irritation develops and persists. No special				
requirements.				
After eye contact: Rinse thoroughly with plenty of water for at least 15 minutes. No special requirements.				
After inhalation: If breathed in, move person into fresh air. No special requirements.				
After swallowing: Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth with water.				
No special requirements. Call a POISON Center and doctor if you feel unwell.				
Section 5: Fire-Fighting Measures				
Flashpoint: This product is non-flammable.				
Suitable extinguishing agents: Use extinguishing media appropriate for surrounding fire. Water fog or fine spray. Carbon				
dioxide, dry chemical or alcohol resistant foam.				
Special protective equipment for firefighters: As with any fire, wear self-contained breathing apparatus and full protective				
gear to prevent contact with eyes, respiratory system and skin.				
Section 6: Accidental Release Measures				
Personal precautions: Wash hands thoroughly after handling.				
Measures for environmental protection: Outside normal use, avoid release to the environmental.				
Measures for cleaning/collecting: Dike large spills. Clean residue from spill site.				
Section 7: Handling and Storage				
Handling: Avoid contact with skin, eyes and clothing. Avoid touching the PVA film pods repeatedly with wet hands. For				
personal protection see section 8 KEED OLIT OF REACH OF CHILDREN AND RETS				
personal protection see section 8. KEEP OUT OF REACH OF CHILDREN AND PETS. Storage: Store in original container protected from direct suplight in a dry, cool (ideally store at temperatures between 40 -				
Storage: Store in original container protected from direct sunlight in a dry, cool (ideally store at temperatures between 40 -				
Storage: Store in original container protected from direct sunlight in a dry, cool (ideally store at temperatures between 40 - 60°F) and well-ventilated area, away from incompatible materials (see section 10), food and drink. Keep outer container				
Storage: Store in original container protected from direct sunlight in a dry, cool (ideally store at temperatures between 40 - 60°F) and well-ventilated area, away from incompatible materials (see section 10), food and drink. Keep outer container tightly closed until ready to use. Do not store in unlabeled containers.				
Storage: Store in original container protected from direct sunlight in a dry, cool (ideally store at temperatures between 40 - 60°F) and well-ventilated area, away from incompatible materials (see section 10), food and drink. Keep outer container tightly closed until ready to use. Do not store in unlabeled containers. Section 8: Exposure Controls/Personal Protection				
<ul> <li>Storage: Store in original container protected from direct sunlight in a dry, cool (ideally store at temperatures between 40 - 60°F) and well-ventilated area, away from incompatible materials (see section 10), food and drink. Section 9: Physical and Chemical Properties			
Appearance/Form: Clear Purple, Liquid			
Odor: Pleasant			
Odor threshold: Not Measured			
pH: 9.0 ± 0.5			
Melting point/melting range: Not Established			
Boiling point/boiling range: Not Established			
Flash point: Not Established			
Evaporation rate: Not Established			
Flammability: Not Established			
Auto ignition temperature: Not Established			
Vapor pressure/ density: Not Established			
Relative density: Not Established			
Solubility in/Miscibility with water: Complete			
Section 10: Stability and Reactivity			
Reactivity: No dangerous reaction known under conditions of normal use.			
Chemical stability: Stable under recommended storage conditions.			
Conditions to avoid: Avoid storing in direct sunlight and avoid extremes of temperature.			
Possibility of hazardous reactions: If accidental mixing occurs and toxic gas is formed, exit area immediately. Do not return			
until well ventilated.			
Incompatible materials: Oxidizers or Reducing Agents. Mix according to manufacturer's instructions. Do not mix with any			
other chemicals.			
Section 11: Toxicological Information			
Emergency overview: This product does not meet the criteria for classification in any hazards class according to regulation			
OSHA29 CFR.			
Skin: No classification proposed.			
Eye: Irritating effect.			
Inhalation: No classification proposed.			
Ingestion: No classification proposed.			
Carcinogenic effects: Based on the information provided, this product does not contain any carcinogens as listed by OSHA,			
IARC or NTP.			
Mutagenic effects: No data available.			
Reproductive toxicity: No data available.			
Sensitization: No data available.			
Section 12: Ecological Information			
Environmental fate and distribution: There are no available data.			
Persistence and degradability: There are no available data.			
Bio accumulative potential: There are no available data.			
Mobility in soil: No data available.			
Other information: Avoid release to the environment.			
Section 13: Disposal Considerations			
Waste disposal: Consumer may discard empty container in trash. As recommended by local, state and federal authorities.			
Section 14 : Transport Information			
Not classified as dangerous in the meaning of transport regulations and Hazard Communication Standard; 29 CFR 1910.1200.			
Transport within user's premises: Always transport in closed containers that are upright and secure.			

## Section 15: Regulatory Information

## US Federal Regulations

SARA 304 Extremely Hazardous Substances Reportable Quantity: This material does not contain component with a section 304 EHS RQ.

SARA Section 311/312 Hazards Categories

Acute Health hazard	Chronic Health hazard	Fire Hazard	Sudden Release of Pressure Hazard	Reactive Hazard
Yes	No	No	No	No

SARA Section 313 (specific toxic chemical listings): this product contains the following chemical or chemicals subject to the reporting requirements of section 313 of title iii of the superfund amendments and reauthorization act of 1986 (SARA). (Nonylphenol polyethylene glycol ether CAS: 68412-54-4 Isopropanol CAS# 67-63-0).

TSCA (Toxic Substances Control Act): All ingredients of this product are listed or are excluded from listing on the U.S. Toxic Substance Control Act (TSCA) Chemical Substance Inventory.

<u>States regulations</u>: This material is listed. (107-41-5 Hexylene glycol/ 111-76-2 2-Butoxy ethanol/ 67-63-0 Isopropyl alcohol/ 102-71-6 Triethanolamine/ CAS: 111-42-2 Diethanolamine).

California Prop. 65: This product can expose you to chemicals including (CAS: 111-42-2 Diethanolamine), which is/are known to the State of California to cause cancer and/or birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Section 16: Other Information

Additional: The information contained in this SDS is based on the data available to us from sources we believe to be reliable. No warranty or guaranty expressed or implied is made regarding the accuracy of this data or the results obtained from the reliance on this data. The manufacturer (Big 3 Packaging) assumes no responsibility for injury from the use of this product. Be safe read this product safety information and pass it on to all persons who way be exposed to this product. Federal law requires it. This product and/or all its components are either included on or exempt from the TSCA Inventory of Chemical Substances.
