WORK TABLES

Description: Our work tables are designed for use as prep tables. They are heavy duty with large surface areas designed for use in sterile and non-sterile environments. The smallest table dimensions uses four legs, and all other larger dimensions use six legs. All of our work tables are 36" tall, which is in the safety zone for reduced back stress, and come standard with bullet feet. Rubber tips, casters, and gliders are available as alternative options.

Customize the surface area dimensions to fit your needs.
