

## SECUR-ID™ FIRE SERVICE PRE-POST KITS

Every emergency – automobile accident, fire, EMS, hazmat or natural catastrophe - requires a clear, concise means to efficiently help affected people. Greenwich Safety's **SECUR-ID™** Fire Service Pre-Post Kits provide (a) clear, pictogram instructions, (b) secure valuables storage and (c) unique, barcoded, tracking for people's belongings.

The **SECUR-ID™** Fire Service Pre-Post Kit is a complete, all-in-one, single package and comes in three sizes: *youth, adult & large adult*

**SECUR-ID™** Pre-Kit (red section) includes:

- Step-by-Step Pictogram Instructions
- Privacy gown
- Tamper-evident property bags

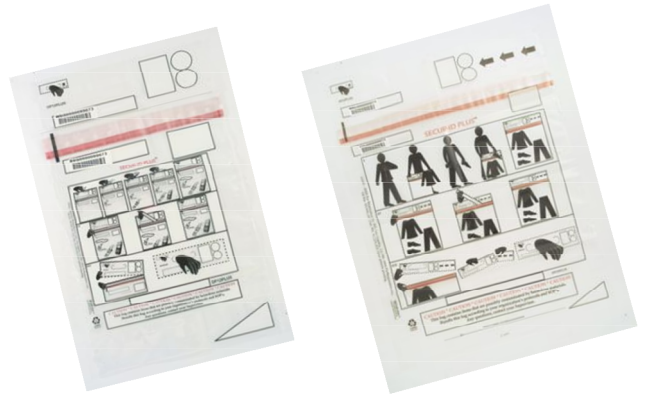

**SECUR-ID™** Post-Kit (green section) includes:

- Step-by-Step Pictogram Instructions
- Privacy gown
- Towels, booties, comb

The **SECUR-ID™** fire service pre-post kit's keystone feature is the **SECUR-ID™** personal property bags, with:

- patented, tamper-evident technology
- unique, identifying serial numbers
- simple-to-read pictogram instructions

to safely secure a person's valuables (small bag) and clothing (large bag).

Greenwich Safety's **SECUR-ID™** FIRE SERVICE PRE-POST KIT provides a clear, concise and secure means of helping people through any emergency incident to hospital processing, while limiting the opportunity for lost possessions.
