

SECUR-ID™ “AYS” PATIENT PROPERTY KIT (DCN-020)

When the small and large SECUR-ID™ patient property bags are not big enough for when an individual has everything they own with them, the SECUR-ID™ “AYS” Patient Property Kit is a simple way to secure large, bulky items and “all your stuff” in a secure, tamper-evident bag.

The SECUR-ID™ AYS Patient Property Kit can accommodate clients that arrive with large, bulky items. It is a simple way to secure “all your stuff” in a secure, tamper-evident bag.

The SECUR-ID™ “AYS” Patient Property Kit includes the following:

- AYS Bag – 30” x 66” with 3 possible size settings (15/20/25 cubic feet) for all of the individual’s belongings
- AYS Red Plastic Pull-Tie – pre- printed, unique, ID number; secures AYS bag at the proper size
- SECUR-ID™ AYS 4-part Form – same pre-printed, unique, ID number; used to provide details of individual & belongings; copies of form go: (1) on outside of AYS bag; (2) inside AYS bag; (3) inside AYS SECUR-ID™ patient property bag.

And the AYS kit includes the keystone of the SECUR-ID™ product line ... the small SECUR-ID™ patient property bag.

- AYS SECUR-ID™ Patient Property Bag - same pre-printed, unique, ID number; wrist receipt stays with individual; rest of bag stored remotely to safely connect individual to their property
