# CAT® MOBILE SCISSOR LIFT TABLES

Cat® mobile scissor lift tables are efficient, ergonomic solutions for lifting, transporting, and positioning heavy loads. Constructed from heavy-duty steel with a chip-resistant powder coat finish, these lift tables can position loads of up to 3,000 lbs. (select models) at a comfortable working height; helping reduce the risk of injuries. They operate smoothly throughout your facility on polyurethane wheels and are an ideal addition to any warehouse, distribution center, or similar environment.
