

# SHARPER IMAGE®

## SBS1 SOFT BLADE FAN

The little SBS1 is small in size but BIG on design. With a timeless Mid Century aesthetic the SBS1 includes a rich mix of materials and finishes, but utilizes modern 2 speed touch controls and a USB connection (an AC converter is included!). Soft foam blades and non-marring slip-resist feet make it a fun and useful addition to any small space.

> 2 SPEED SETTINGS  
**TOUCH CONTROLS**

> NON-MARRING  
**SLIP RESISTANT FEET**

> FINGER FRIENDLY
