Safety Data Sheet

Plymouth Products Backing Pads

Plymouth Products Backing Pads are not considered to be or to contain hazardous chemicals based on evaluations made by our company under the OSHA Hazard Communication Standard, 29 CFR 1910.1200(g).

MSDS-PPA-002

Issue: 1

Date: 1/1/2015

Plymouth Products Acquisition, Inc. (the Company) attempts to provide correct and fairly stated information in this document but does not accept liability for any error or omission. The Company develops products and services on an ongoing basis and published information may not be up to date. It is important to check the current position with the Company.

No employee of Plymouth Products Acquisition, Inc. is authorized to make any product representation or warranty. This document is not part of a contract or license with the Company save insofar as it is contained in a written contract or license signed on behalf of the Company by an authorized officer.
