# TRANSFORMA-DESK

Our outdoor classroom desks feature seating surfaces made from Play-Tuff™ coated perforated metal and heavy-duty powder-coated metal frames. Removable backrest and powder-coated steel writing surface allow for many configuration options. Clear plastic divider packages available for facing and side-by-side desk configurations.

## Standard

Includes desk with back rest and writing surface

## 2 Student “Facing”

Includes two desks with back rests, writing surfaces, and clear front divider.

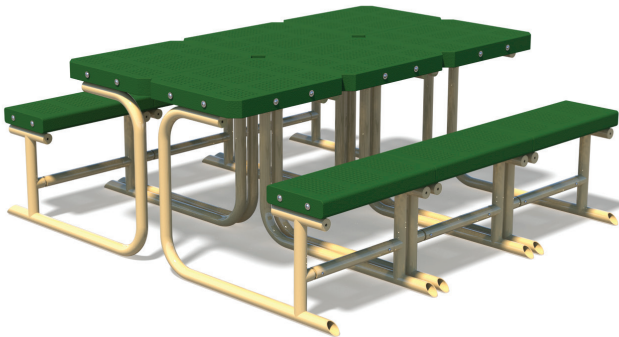

## 2 Student “Side-By-Side”

Includes two desks with back rests, writing surfaces, and clear side divider.

## 4-Student

Includes four desks with back rests, writing surfaces, and clear front & side dividers.

\* 6 standard desks easily convert to a picnic table by removing back rests and writing surfaces.
