

# Chewing Gum Remover

S3342

*Easily removes chewing gum, candle wax, putty and other gummy substances from surfaces. Makes the messy job quick and neat by freezing substance to approximately -40°F so it will crack off fast. Removal is easy and no staining or chemical residue is left behind. This product contains no chemicals that will reduce the ozone in the upper atmosphere.*

## Where To Use

Use with or without the extender tube on:

Chairs      Carpet      Furniture      Draperies  
Floors      Clothes      Upholstery

## Directions

Spray on and chip off. Care should be exercised when using this product as frostbite may occur if sprayed on skin.
