

GRAVITYFLO[®] PORTABLE EQUIPMENT

GRAVITYFLO PORTABLE EQUIPMENT

GRAVITYFLO SE-4400

The GravityFlo SE-4400 is our most portable creation to date. Featuring dual spray heads and a 9-gallon tank, this unit is designed to deliver 15-minutes of continue relief, regardless of where it's placed on your worksite.

- ANSI/ISEA Z358.1 Certified.
- Tamper-resistant fill cap.
- Pull-down activated.
- Includes wall-mounting bracket.
- 3-year limited warranty.
- When filled, product weighs 83 lbs.

GRAVITYFLO SE-4300

The GravityFlo SE-4300 features dual spray heads and a 20-gallon tank - allowing users to operate the eyewash and drench hose simultaneously. This GravityFlo is the industry's only portable unit to include a side-fitting drench hose.

- ANSI/ISEA Z358.1 Certified.
- Tamper-resistant fill cap.
- Pull-strap activated.
- Includes wall-mounting bracket.
- Side drain.
- 3-year limited warranty.
- When filled, product weighs 201 lbs.
