

## HYGEN™ 17" QUICK CONNECT FRAME, YELLOW

HYGEN™ Quick-Connect Frames features a flat profile that slides easily under furniture and equipment. Trapezoidal shape improves cleaning in corners and other hard to reach areas by reaching the highest spaces with ease. By using proper cleaning processes and tools with increased efficacy, hospitals can maintain a safer environment for patients, visitors, and staff members, therefore, reducing healthcare-associated infections.

## FEATURES & BENEFITS

- Lightweight aluminum construction for improved productivity is safe for MRI rooms
- Features a nylon swivel joint for flexible maneuvering
- Rounded plastic end caps help protect walls and furniture
- One-step connecting mechanism speeds mop assembly and changeover
- Flat frame profile is sanitary and easy to clean
- Made with non-magnetic metals, enabling use near magnetically sensitive equipment, such as MRIs
- Replaceable hook-and-loop strips attach all HYGEN™ Microfiber Wet and Dust Pads
- Replacement parts: 1791803 - End Caps (For more info: visit [www.specialmade.com](http://www.specialmade.com))
