

HYGEN™ 18" MICROFIBER DUST PAD, FRINGE, GREEN

HYGEN™ Microfiber Dust Pads with Fringe are purposely designed to help Healthcare facilities reduce the risk of costly HAIs by maintaining cleaner and safer environments with products that have superior efficacy and improve worker productivity. Innovative Microfiber technology with a built-in zig-zag scrubber design improves ease of use and provides additional cleaning power.

FEATURES & BENEFITS

- High-quality, 16-split microfiber penetrates deeper for a superior clean
- Trap and lock away dust, dirt and debris
- Patented zig-zag design is made of polyester for additional scrubbing power
- Fringed dust mops provide significantly greater surface area versus non-fringed dust mops for faster cleaning
- Industry-leading loop back is made of 100% polyester and securely attaches to frame, even after laundering
- Double finished edges retain mop shape with use over time
- Tested to withstand 200 launderings to CDC guidelines in hot water (160F) with chlorine bleach
- Dust mopping prior to damp mopping helps reduce floor haze and best maintains floor finish
- Chlorine resistant dye provides superior color-fastness to help cloths maintain color throughout laundering
- High-pile looped fringe design grabs and holds larger dust particles and debris

HYGEN™ 18" MICROFIBER DUST PAD, FRINGE, GREEN

SKU: FGQ41800GR00

- Fits on HYGEN™ 17" Quick Connect Frame (1863893 & FGQ56000YL00)
