

HYGEN™ PULSE™ MICROFIBER MOP KIT, SINGLE SIDED, YELLOW

HYGEN™ PULSE Spray Mop provides Healthcare facilities with an ergonomic, bucket-less mopping system to help cover more square feet in less time than traditional systems. Industry-best microfiber, on-board reservoir, and user-controlled release of solution mean cleaner floors faster, easier, and more effectively.

FEATURES & BENEFITS

- Patented onboard reservoir and solution system evenly dispenses liquid behind mop
- Ergonomic trigger handle dispenses three sprays of cleaner
- Lightweight and ergonomic – weighs only 6 lbs when fully loaded
- Non-slip tip helps prevent the handle from sliding and falling when placed against a wall
- On-board reservoir holds facility's preferred solution
- Clear window allows for easy fluid level monitoring
- Quick-Connect works with any HYGEN™ frame
- Clean up to 850 sq. ft. without needing to refill
- Unscrew cap to manually refill. Option to order tipped red cap via SpecialMade to enable connection to PULSE Caddy(FGQ966000000) hose for automatic refills
- Replacement parts: FGQ969L10000 - Pulse™ Red Cap (For more info: visit www.specialmade.com)
