AT4272HM	LTL	42 x 72" Art Table. Solid Hardwood Frame with Solid Hardwood Top	180

Parawood

Eco-friendly Parawood is a responsibly grown, harvested and renewed resource. The hard, smooth finish is similar in color and durability to maple.

Fusion Maple

HPL Top:  
1¼" Thick, 45 lb. density particleboard with premium high-pressure scratch and stain resistant laminate.

Mechanically fastened vinyl T-mold edge banding.
