

METAL MAN[®]

CCSM Small Cylinder Cart

DESCRIPTION

The Metal Man CCSM small cylinder cart is easy to assemble and holds 8" acetylene and 7" oxygen cylinders. This unit comes in two subassemblies for easy shipping in a box and is quickly assembled with 4 nuts and bolts, one axle with two washers, and two cotter pins. This cart features a single handle and 6" wheels that make it easy to maneuver. The handy storage box has a cover to keep all your tools and supplies out of the weather.

Order Part Number: CCSM
