UWC2XL Universal Welding Cart With Fold Down Handle

DESCRIPTION

The METAL MAN UWC2XL Universal Welding Cart With Fold Down Handle is designed to hold portable wire welders, plasma cutters and TIG Welders. The newly expanded top shelf now accommodates most brands of welders. It has a set of cable wraps on each side for easy and safe storage of your welding cables. It has a bottom shelf to store welding accessories. It also has an on-board cylinder rack to secure gas cylinders up to 7 inches in diameter. The 6 inch solid rubber back wheels and the 2 inch solid rubber casters help in the maneuverability of this cart.
