

METAL MAN[®]

FWTD Deluxe Folding Weld Table

DESCRIPTION

The Metal Man Folding Weld Table provides a quick and easy work surface for welding projects. Designed to quickly and easily fold up, this weld table provides a flexible work surface and is easy to store. The work surface measures 36 inches wide and 20 inches deep. In the middle of the work surface is a heavy wire grate designed to allow debris to fall through to the removable collection tray below. The Folding Weld Table is perfect for mobile welding applications, maintenance departments or anywhere space is a premium.

Order Part Number: FWTD
