Optimize Employee Time.

The **2500 Auto Aligning Time Clock** stays on top of employee arrival times, breaks, lunches, overtime, and departure times for each pay period. Six-column time card handles three In/Out Punch intervals per day. Top loading, auto aligning time card feed makes punching in and out a snap. Complete small business start-up kit includes 100 time cards, time card rack and ribbon.

- Tracks employee arrival, break, lunch, departure or overtime
- Prints time and AM/PM on employee time card
- Six-column printing records three In/Out punch cycles per day
- Two-sided time card accommodates up to 31 days
- Red LED light confirms active punch column
- Top loading automatic time card feed
- Auto detects and ejects time card if user inserts wrong side
- Auto or manual shift option prevents overprinting on time card
- Compact design works in harmony with small workplaces
- No employee limit for optimum flexibility
