

Pink Liquid Hand Soap

Thick and silky pink pearlized hand and body cleaner. Tough enough to remove soils, yet pH buffered to be gentle on hands and skin. Ideal for use in schools, offices, industry, food service, lodging and health clubs.

DIRECTIONS:

Read cautions and first aid before use.

1. Wet hands and apply small amount of Pink Liquid Hand Soap in palm of hand.
2. Rub hands together briskly, working lather into knuckles, skin creases and around fingernails.
3. Use fingernail brush to remove soil from under nails.
4. Rinse with water.
