

Neutral pH No Rinse Floor Cleaner

Neutral pH No Rinse Floor Cleaner for daily cleaning of floors, walls, woodwork and any surface not harmed by water. Highly concentrated. Will not dull or harm finished floors. Safe to use on painted surfaces.

DIRECTIONS:

Read cautions and first aid before use.

Dilute solution with warm water in mop bucket, trigger sprayer or automatic cleaning equipment, according to level of soil buildup:

Daily cleaning / Light soils: 1-2 oz. (30-59 mL) of cleaner per gallon (4 liters) of water.

Medium soils / Deep scrub: 2-4 oz. (59-118 mL) of cleaner per gallon (4 liters) of water.
