

# Pet Odor & Stain Remover

Natural bioenzymatic spotter for pet accidents, stains, and odors on carpets, rugs, furniture, and upholstery. Removes organic soils and eliminates odor problems from fabric and hard surfaces. Use as a spot cleaner to clean up accidents or as a residual cleaner to remove stubborn stains and persistent odors. Contains no harsh chemicals and will not stain surfaces. Fresh clean scent lasts for hours.

## DIRECTIONS:

**Read cautions and first aid before use.**

1. Test surface for color fastness in an inconspicuous area before using.
2. Vacuum or remove excess soils and stains.
3. Pre-wet area with warm water.
4. Spray on soiled area. Allow to remain for 5-10 minutes.
5. Blot with white cloth or paper towel. Do not brush or scrub area.
6. Reapply daily until spot disappears.
