

Calcium & Lime Remover

Multi-purpose acidic descaler. Safely and effectively removes calcium, lime and other hard water deposits. Use in food service, housekeeping and industrial applications. Excellent for cleaning & descaling showers, drinking fountains, bathroom fixtures, toilets, sinks and tubs. For use on metal, fiberglass, ceramic, porcelain and grout. Apply with sprayer or sponge.

DIRECTIONS:

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Do not mix with ammonia or bleach. Wear appropriate PPE. Do not use on marble, stone, painted surfaces, anodized aluminum, colored grout or countertops.

1. Apply undiluted Calcium and Lime Remover with trigger sprayer or sponge to surface.
2. Allow contact time to loosen soils and dissolve water scale/deposits.
3. Scrub with brush or synthetic pad.
4. Rinse with clean water.
5. Repeat if necessary.
