

# INDUSTRIAL TRACTION ICE + SNOW

## HEAVY DUTY

The solution for extreme winter work environments for the utmost confidence on ice & snow

- Fully integrated (molded-in) “Military” grade Tungsten Carbide spikes maximize traction and virtually eliminates spike loss
- 28 Tungsten Carbide spikes per pair – our top-rated series for extreme applications
- Spike patterns have been strategically placed at the heel and front of the sole, leaving the mid-sole area open for safe ladder use – no need to remove our traction aids when climbing or descending ladders (mid-sole models excluded)
- Exclusive specially formulated 100% natural rubber – provides maximum flexibility and durability in extreme cold conditions
- 40% more natural rubber provides maximum cut resistance and life
- Industrial grade sole offers unparalleled grip, maximum durability and superior operator safety

Prod. No. **V3550570**

Mod. No. **HEAVYDUTYTA**

SIZES	FITS
<b>S</b>	Men 4–7, Women 4–8
<b>M</b>	Men 7.5–10, Women 8.5–11
<b>L</b>	Men 10.5–13, Women 11.5–13
<b>OSD</b>	Oversized fits Boots and Pac boots 10 and up or Standard Footwear 13.5–15

Molded-in tungsten carbide spikes

Specially designed “snow” tread pattern offers added traction characteristics ensures maximum slip resistance

Integral retention strap ensures a secure fit in all conditions

### DIAMOND KNURLING

Textured “Diamond Knurling” inner lining grips the footwear, keeping traction aids stable and in place
