

ICE + SNOW TRACTION AIDS

EVERYDAY G-3 ICE+SNOW TRACTION AIDS

The versatile Due North® Everyday G3 Traction Aids are ideal for outdoor winter activities that require urban and light-duty casual dress and athletic footwear.

- 360° spike pattern provides more push off and lateral grip
- The patented replaceable Ice Diamond™ Military Grade Tungsten Carbide Spikes are integrated into the new open/close split rubber tread for improved traction
- Unique support on heel strap provides easy adjustment and easy put-on / take-off
- Ideal for visitors or office personnel who occasionally walk into areas where ice and snow may cause a safety concern

Prod. No. V3551270

TURN YOUR SHOES INTO AN ICE GRIPPING, SNOW STOMPING PHENOMENON!

Walk or Run with more confidence on Ice & Snow

Due North® Traction Aids increase traction to help prevent slips and falls on snow and ice, reducing the risk of possible pulled muscles, fractures and back problems

ICE DIAMOND™

Replaceable Ice Diamond™ Military Grade Tungsten Carbide Spikes work independently to provide outstanding traction on

ice and packed snow. Tungsten Carbide wears longer and holds its ice piercing edge better than steel
