

KNEE SAVER

Anti-Fatigue Device Kneeling or Crouching

Model **890-00**

- › Protects from strain by limiting the range of knee flexion, relieving stress on the joints, tendons and cartilage
- › Molded, polyurethane foam offers comfortable support
- › Unique notch in the back prevents slipping keeping the Knee Saver in place
- › Double elastic straps with adjustable hook and loop closure
- › Easy to clean, durable surface
- › Helps prevent knee stress and trauma
- › For use in all industries and environments: roofers, plumbers, electricians, tire changers, landscapers, carpet layers, contractors, skilled trades, tile layers and gardeners

One Size Sold per pair 18 per Case
