

SANDY GRIP NITRILE COATED GLOVES

Sandy grip nitrile coated gloves provide enhanced abrasion resistance and basic grip. Soft and breathable 13-Gauge nylon liner with over edge cuff provides comfortable fit for prolonged wear.

Priced per pair, sold per dozen.

Best used in dry, slightly wet conditions & light oil; handling oily parts, metal die cutting, and engine assembly.

Add size suffix to model number:

Small (S), Medium (M), Large (L), X-Large (XL)
