

ULTRA-GRIP FOAM LATEX COATED GLOVES *WITH POLY/COTTON LINER*

Double dipped foam latex coated gloves provide excellent abrasion resistance. Offers good dry and wet grip. Dual coating provides increased durability while top foam coating adds increased grip strength. Fully coated thumb for added abrasion resistance. Heavy duty 10-Gauge polyester/cotton liner with over edge cuff provides a comfortable fit in rough, industrial environments.

Priced per pair, sold per dozen.

Best used in dry, slightly wet conditions & light oil; bricks & lumber, sharp edges, scrap/sheet metal, concrete block, masonry
