## Tri-Stand Chain Vise

Models: 604072, 604073

### Assembly

**A)** Insert Rear Leg Assembly (7) into Tray Support Ring (3). Make sure lip of the Tool Tray (1) is facing up and away from foot in Rear Leg Assembly and the the foot faces away from tray. Lightly hand-tighten Set Screw (4) at this time

**B)** Place Front Leg Assembly (6) in Tool Tray (1), aligning holes in Tool Tray with holes in Front Leg Assembly. Slide Tray pin (2) through and set in place by opening "X" washer with pliers, then closing it around pin.

**C)** Place Base Assembly (22) upside down on ground and place legs into the holes with Front Leg Assemblies (2) toward jaw (8). Insert Leg Bolts (5) and secure with nuts and lockwashers (5).

**D)** Turn Tri-Stand right side up and straighten Tool Tray. It may be necessary to place foot on tool Tray and exert force to have Tray "snap" into place. Readjust and tighten Set Screw (4) at desired height.
