INDUSTRIAL PORTABLE POWER STATION G5000 SERIES

PORTABLE, INDUSTRIAL, OUTDOOR-RATED

Global Industrial G5000P is designed to meet the diverse power needs of outdoor industrial environments. This robust system boasts rugged construction and advanced weatherproofing technology, ensuring durability and longevity even in harsh conditions. Its portable design allows easy transportation and deployment, enabling you to set up power stations wherever and whenever needed.

Certifications

UL2743 as Outdoor Portable Power and IEC 60601-1 as Medical Equipment

Rugged, Durable Exoskeleton

Rugged power station cabinet with industrial-grade metal frame for extra protection

Convenience features for ease of use

Eye hook allows hoist connection for lifting and moving around job site

Best-in-class expansion power capability

Patent pending - Supports up to 35,840Wh power by connecting six G5000E expandable batteries

Heavy-Duty 4-wheel mobility package

10" semi-pneumatic wheels with 6" swivel casters for smooth movement and braking capability

LED touchscreen with Gorilla Glass

Intuitive, responsive user interface shows battery usage and other information

INDUSTRIAL PORTABLE POWER STATION
G5000 SERIES

SPECIFICATIONS:

Model:	812541 - G5000P/ 812542 - G5000E
Inverter Capacity:	5,000W
Peak Surge Power:	10,000W
Battery Capacity:	5,120Wh
Max Battery Expansion:	Up to 35,840 Wh 1 x G5000P + 6 x G5000E
Battery Recharge Time: *AC only	80% - 2 hr 100% - 2.6 hr
Fast Charging: *AC+Solar	1.6 hr from 0% to 80%
Battery Lifecycles:	4,000 cycles up to 10 years with 80 % capacity
Operating Temp.:	14 to 122 ℉ (-10 to 50℃)
Outdoor Rated:	UL2743
Certification:	ETL, cETL, FCC, DOE, IEC60601-1, N38.3+MSDS
Product Dimension:	G5000P:33.46"x29.53"x36.22" G5000E: 28.74"x22.05"x13.78"
Product Weight:	G5000P: 302.88 lbs; G5000E: 126.57 lbs

G5000P INTERFACE:

1. (3) AC 120V 20A (5-20R GFCI)
2. (1) AC 120V 30A (TT-30R)
3. (1) AC 120V 30A (L5-30)
4. (2) Type-C 100W (4) USBA 18W
5. (3) DC 12V 10A
6. 7" LED Touchscreen

Connection Cable
Model 812544
(Sold separately)
