

# TAKE THE EDGE OFF AT WORK WITH NEW SAFETY BUMPER GUARDS.

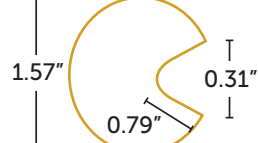

Provide superior corner protection for people, machines, and objects around your facility with the Global Industrial™ safety bumper guards. Each polyurethane guard is easy to install, long-lasting, and durable—able to absorb major impacts, as well as prevent injuries and damage to personnel and property. Their bright yellow and black design offers an effective warning to highlight danger at edges, gaps, or near obstacles in the workplace.

## BENEFITS

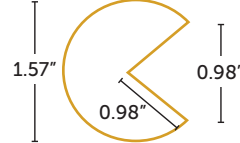

- Long-lasting 3M tape adhesion
- Fast and efficient installation
- Soft polyurethane
