

Stand Up Pouches

CLEAR PET/LLDPE FILM

FEATURES

- Ideal for all types of packaging industries
- Clear multi layer film (PET/LLDPE)
- Resealable zip lock with tear notch for easy opening
- Packaged in small quantities: 250pcs or 500pcs/case

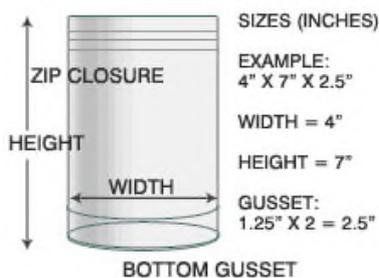

Stand up Pouches have become the ideal flexible packaging medium for both large and small businesses alike. Stand up pouches elegantly maximize shelf space over traditional packaging such as boxes and cartons and since the pouches are shipped flat before filling, they also minimize costs of freight and warehousing. Stand up pouches can be used for unlimited number of applications (food, snacks, pet treats, etc.)

Our pouches are 4 mil thick and feature a zip lock and tear notch. Our bags are also packaged in 250 or 500pcs/case allowing smaller scale packaging (most distributors sell minimum quantities of 1,000pcs.) Pouches meet FDA regulations for food use.

Use our 5mm, direct heat sealer or band sealer for the best sealing quality!

SIZE	STOCK #	MATERIAL	DIMENSIONS
2oz / 60g	STP-2Z-400A	PET/LLDPE	4" x 6" +2.5"
4oz / 140g	STP-4Z-400-A	PET/LLDPE	5" x 8" +3.5"
