

Global Industrial™ Disposable Coveralls

The White Polypropylene coveralls ensure effective, low cost garment protection against non-hazardous dry particulates such as dust, dirt, and debris for various environments including hospitals, food processing plants and general applications. The breathable, microporous coveralls provide all day user comfort and full body safety against non-hazardous particles, light splashes, and aerosols for automotive refinishing, waste management and more. Includes a zipper front closure. Choose from styles with **Open Wrists & Ankles, Elastic Wrists & Ankles, Attached Hoods, and/or Boots.** Available sizes range from **S-3XL.** Sold in package quantities of **25.**
