

Riot Capture Shield

Model CS-5

Product Data Sheet

Handheld capture shield with ergonomic features.

Product Details

Product Name	Riot Body Shield CS-5
Material	Shield: Polycarbonate; Handles: Polymer Alloy with steel inserts
Color	Clear
Product Weight	10 lbs.
Specification	NATO # 846-501-515-0355; Departmental specification.
Description	A handheld capture shield with ergonomic features. Shield is .250" thick, 20" wide, and 36" tall with a formed radius. Designed exclusively for cell extraction applications. The foam pad on the concave surface provides additional holding friction.
Competitive Advantage	Strong double handles allow a firm grip under various conditions. The shield has superior optical quality and workmanship. This product is unique in that the design allows two people to grip with both hands on each handle when extra holding power is needed. The handles are dielectric to prevent electrical pass through. Designed and tested exclusively for cell extraction.
Applications	Cell extraction
Comments	A PDS is available for all Paulson products. Full color prints and digital versions are available. See the Paulson Tactical videos at www.paulsonmfg.com .
