

The U.S. Environmental Protection Agency places restrictions on the purchase of Class I, Class II, and other regulated refrigerants. In order for purchases to be made, the purchaser must certify to one of the following:

(Technician Certification) – We employ at least one technician who has been certified in accordance with EPA regulation 40 CFR 82 subpart F (HVAC Equipment) or 40 CFR 82 subpart B (Motor Vehicles). We have enclosed a copy of at least one current employee’s certification identification card.

Name of Certified Technician: _____

(Resale) – The refrigerants purchased by us are being purchased exclusively for eventual resale to certified technicians or to other refrigerant resellers (no certification card necessary).
