

CAT® C70RX RIDE-ON SWEEPER

WITH AC CABIN, 70" CLEANING PATH

Ideal for janitorial crews in charge of floor care, this Ride-On Sweeper boasts an impressive cleaning capacity of 204,514 sq. ft. per hour.

Featuring shake-vibration technology that shakes dust off of the filters to improve suction power, this sweeper gives operators a 70" cleaning path. Built-in features like self-cleaning filters and a front water mister to ensure dust suppression and provide consistent suction, while the rearview backup camera, turn signals, seatbelt, bright LED headlight, blue safety warning light, and a non-slip diamond tread platform help keep the rider safe during use. Forklift extenders required for proper removal from delivery vehicle. No assembly required.

FEATURES INCLUDE:

LARGE CAPACITY TANKS
Unit features a 60.7-gallon solution tank and 42.2-gallon hopper tank

USE CONDITIONS
Suitable for indoor and outdoor use in dry conditions

INCLUDES
(6) filters, (1) underneath main roller brush, (4) side brushes, (2) sets of keys, (4) batteries, and (1) 30A charger
